June McLeod Dip.Col.T.S.

June founded the established **Colours of the Soul®** colour therapy training school, currently recognised as the most popular inspiring and creative colour course in the market place.

Author of the bestselling book **Colours of the Soul®**, June has developed a dynamic yet down to earth and humorous teaching style, which makes her courses truly illuminating and packed with exciting practicals. They are life changing, empowering and inspirational.

With an enviable list of blue chip clients including *PC World*, *L'Oreal*, *Maybelline* and *Little Angels* plus many more. She also endorsed the first and only colour therapy paint range in the UK.

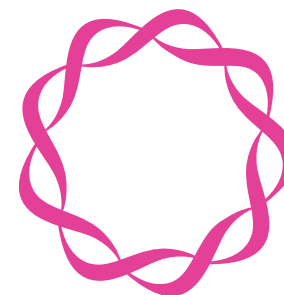

She is recognised as one of the best loved and respected authorities on colour in the UK today.

June is colour and colour is her passion...

...She has now gone on to train people to teach the subject that is close to her heart

June holds one-day inspirational workshops on colour.

Colours of the Soul®

Colours of the Soul® Colour Therapy Courses at Certificate & Diploma Level

Certificate Course

A colour therapy certificate stating that you have attended a course of training in Colour Therapy will be issued to those who have attended all six courses and submitted a satisfactory dissertation on colour.

The course includes a lot of practical work and student participation. The certificate allows you to practice colour therapy on friends & family. The course fee includes the cost of the bestselling **Colours of the Soul** book by **June McLeod** and awarded certificate.

Diploma Dip.Col.T.S.

Having achieved your colour therapy certificate you are eligible to take the Diploma course which is Internationally recognised.

It includes a lot of practical work and student participation. You will be required to submit a further dissertation on colour and a number of case studies. An understanding of anatomy and physiology is required to practice colour therapy, we will provide details of a tailored A & P course to suit your needs. On successful completion of the Diploma you will be entitled to practice colour therapy at practitioner level. The course fee includes the cost of the awarded Diploma certificate.

Workshops

A fun and hands on introduction to colour therapy. We offer a wide variety of titles for you to enjoy.

What is Colour Therapy?

Colour therapy has been documented as an ancient knowledge, taught and practiced worldwide since earliest times, it offers one of the few complementary therapies that can be used in conjunction with every other known therapy. Using colour with a deeper understanding of the spiritual values as well as the visual effects will have a profound and positive impact on your mind, body and spirit. Colour is the key to our awareness, the bridge between our inner and outer worlds.

Student Comments *"Quite simply, your course has changed my life".*

S.Thompson.

"The most profound life changing course I have ever attended".

Dr. Gardy.
